

SuperRatings Assessment

Cbus was established in 1984 to service members employed within the building and construction industries, and now allows members from all industries to apply for membership. In 2022, the fund merged with Media Super to create a national industry super fund with enhanced scale and capabilities. Cbus was nominated as a finalist for the 2024 MySuper of the Year, the 2024 Career Fund of the Year and the 2024 Default Insurance Offering awards.

Cbus provides members with access to 6 pre-mixed and 5 DIY options, as well as direct shares, ETFs and term deposits through Cbus Self Managed. The Growth (MySuper) option underperformed the relevant SuperRatings Index over the 1-year period to 30 June 2023; however, outperformed over other assessed time periods.

Fees are lower than the industry average across all account balances assessed, with the asset-based administration fee capped at \$1,000 per annum. The fund does not charge a switching fee, or a buy-sell spread.

Cbus Corporate Super offers flexible insurance options, with employers able to choose from three insurance designs. Eligible members are able to apply for up to \$5 million of Death cover and up to \$3 million of Total & Permanent Disablement (TPD) cover. Income Protection with a benefit period of 2 years or 5 years, covering up to 85% of salary, is available following a 30- or 90-day waiting period. Insurance offered by the fund is tailored to members who may work in high-risk occupations, as such, premium comparisons may not be aligned with industry medians.

Cbus provides members with financial advice services and a comprehensive suite of educational tools. The Cbus mobile app offers access to contribution transactions and super consolidation.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.
