Run only to benefit members
Cbus is the industry super fund for more than 778,000 members and 136,000 employers in the Australian building, construction and allied industries. Founded in 1984 by workers for workers, Cbus manages over $46 billion in members’ funds, making it one of the largest industry funds in Australia. As we are an industry fund, all benefits go straight back to you, our members.

When you invest in Cbus, we invest in you
Through our wholly owned subsidiary company, Cbus Property Pty Ltd, we invest directly in property developments Australia-wide, which benefits our members through the strong returns they provide and the creation of jobs in the building and construction industry. So far over 90,000 direct jobs* have been created from these developments.

A history of strong long-term investment performance
Cbus has a history of strong long-term investment returns. Our default investment option Growth (Cbus MySuper) has performed better than the industry average, year after year. Since inception in 1984, Cbus has returned an average each year of 9.29%* (to 30 June 2018).

Choice of investment options
Cbus gives you these investment options to choose from, depending on how much, or how little, risk you want to take:
- Cash Savings
- Conservative
- Conservative Growth
- Growth (Cbus MySuper)
- High Growth
- Cbus Self Managed

If you haven’t chosen an investment option, your super will automatically be invested in the Growth (Cbus MySuper) option.

Value for money
We offer low fees and are focused on maximising members’ retirement benefits. You can rest assured that you’re only paying what it actually costs to run your account.

Insurance keeping you covered 24 hours a day, 7 days a week
Cbus offers affordable insurance cover for eligible members, including Death and Total and Permanent Disablement (TPD) and Income Protection suited for workers in the building and construction industry, from on site to head office.
