- (a) The provisions of this Deed are to be read and construed on the basis that the requirements of the Relevant Law are incorporated into this Deed to the extent that they apply to the Fund.
- (b) Notwithstanding any other provision of this Deed, if there is a conflict between a provision of this Deed and the Relevant Law, the Relevant Law shall prevail.

1.7 Trustee Fee

- (a) For each Reference Period, a fee is payable out of the Fund to the Trustee for acting as Trustee in an amount equal to 0.10% of the net assets of the Fund (calculated as at the day immediately prior to the commencement of the relevant Reference Period).

 - (ii) in the event that the Trustee considers pursuant to clause 1.7(d)(i) that the Trustee Fee payable under clause 1.7(a) and/or by reason of the operation of clause 1.7(c)(i)(A) is no longer fair and reasonable:
 - (A) determine what amount would, in its opinion, be fair and reasonable (whether that amount is higher or lower than the existing Trustee Fee payable under clause 1.7(a) and/or by reason of the operation of clause 1.7(c)(i)(A)); and
 - (B) amend this Deed by adjusting the figures in clause 1.7(a) and clause 1.7(c)(i)(A) to accord with the determination in clause 1.7(d)(ii)(A).

The amount shall not be less than the amount required to satisfy the Employer’s obligations under the SGA Act and must be paid to the Fund in the manner and at the times determined by the Trustee.

 - (ii) if approved employment benefits are provided to the Contributor, the cost of providing the approved employment benefits, as determined by the Trustee.
- (b) The weekly workers compensation to be treated as Salary for the purposes of this Annexure does not include any amount by which the aggregate of:
 - (i) the weekly workers compensation paid to an injured Contributor; and
 - (ii) the Salary actually paid to the Contributor while partially incapacitated,

exceeds the Salary that the Contributor would probably have been earning but for the injury (assuming the Contributor had continued to be employed in the same or some comparable employment).
- (c) The excluded amounts or allowances are:

 - (i) the date on which the certificate is lodged with the Trustee; or
 - (ii) the date from which the allowance becomes payable,
 whichever is the later, Salary for the purposes of this Annexure.
- (e) If a relieving allowance has been paid to a Contributor in the Contributor's capacity as an Employee for a continuous period of 1 year that ended after 1 April 1988 and, during that period, the allowance was not treated as part of the Contributor's Salary in accordance with sub-clause 1.2(d), the allowance shall be treated as part of the Contributor's Salary while its payment to the Contributor continues.
- (f) If a Contributor is on secondment to another Employer, the Salary of the Contributor for the purposes of this Annexure is the Salary paid or payable to the Contributor by the other Employer.

 - (i) to a Contributor specified in the order who is on secondment but not to another Employer; and
 - (ii) generally during the period of that secondment, or during such period as is specified in the order, being, in either case, a period commencing before, on or after the date of the order.
- (h) During the period in which this sub-clause 1.2(h) is declared pursuant to sub-clause 1.2(g) to apply to a Contributor on secondment, the Contributor's Salary shall, for the purposes of this Act, be that paid or payable in respect of the employment to which he or she is seconded.
- (i) In this sub-clause 1.2:

approved employment benefit means a Benefit provided to a Contributor at the cost of the Contributor's Employer (being a Benefit of a private nature) that is approved by the Trustee, for the purposes of this sub-clause 1.2 in relation to the Contributor or a class of Employees of which the Contributor is a member;

- (b) For the purposes of sub-clause 1.2(a)(i), the loading (if any) to be treated as part of a Contributor's Salary for the purposes of this Annexure must be determined by reference to sub-clauses 1.3(c), 1.3(d) or 1.3(e) according to whichever sub-clause is appropriate to the Contributor.
- (c) If:
- (i) there is in force an agreement between, or a practice accepted by, a trade union and the Employer of a Contributor which was in force immediately before 18 December 1987;
 - (ii) the effect of the agreement or practice is that amounts that the Employer pays to the Contributor as shift allowances for relevant shifts worked by the Contributor during a relevant period are treated as a loading for superannuation purposes; and
 - (iii) the total of those amounts is greater than that which would be determined under sub-clause 1.3(d) for that year in respect of the Contributor,

then, for the purposes of sub-clause 1.2(a)(i) of this Annexure, that total is the Contributor's loading for those shift allowances.

- (d) Except where sub-clause 1.3(c) or 1.3(e) applies, if a Contributor is paid shift allowances for shifts that the Contributor has worked during a relevant period, then, for the purposes of sub-clause 1.2(a)(i) of this Annexure, the Contributor's loading for those allowances is to be determined by reference to the number of shifts the Contributor is taken to have worked (as calculated in accordance with sub-clause 1.3(f)) during the relevant period. The loading is:

- (i) if during the relevant period the Contributor is taken to have worked not more than 104 relevant shifts - no amount;

- (e) If the amounts actually paid or payable to a Contributor as shift allowances for shifts that the Contributor has worked during a relevant period are less than the loading determined for the period in respect of the Contributor in accordance with sub-clause 1.3(d), then, for the purposes of sub-clause 1.2(a)(i), the total of those amounts is the Contributor's loading for those allowances.
- (f) For the purposes of sub-clause 1.3(d), the number of shifts a Contributor is taken to have worked during a relevant period, being shifts for which a shift allowance is paid, is the number calculated as follows:

$$N = \frac{H \times S}{Ho}$$

where:

N is the number of such shifts the Contributor is taken to have worked during the relevant period.

H is the number of hours per shift regularly required to be worked in such shifts during the relevant period.

Ho is the smallest number of hours per shift regularly required to be worked (whether by the Contributor or any comparable worker) in such shifts during any calendar year after 1987, including the relevant period.

 - (ii) the salary actually paid to the Member while partially incapacitated,
 exceeds the salary that the Member would probably have been earning but for the injury (assuming the Member had continued to be employed in the same or some comparable employment).
- (c) The excluded amounts or allowances are:

- (i) the date on which the certificate is lodged with the Trustee; or
 - (ii) the date from which the allowance becomes payable,
- whichever is the later, Salary for the purposes of this Annexure.
- (e) If a relieving allowance has been paid to a Member in the Member's capacity as an Employee for a continuous period of 1 year that ends after 1 April 1988 and, during that period, the allowance has not been treated as part of the Member's Salary in accordance with sub-clause 1.2(h), the allowance shall, as from the expiration of that period of 1 year, be treated as part of the Member's Salary while its payment to the Member continues.
- (f) If a Member is on secondment to another Employer, the Salary of the Member for the purposes of this Annexure is the Salary paid or payable to the Member by the other Employer.

 - (iii) the total of those amounts is greater than that which would be determined under sub-clause 1.3(d) for that year in respect of the Member,

then, for the purposes of sub-clause 1.2(a)(i)(A), that total is the Member's loading for those shift allowances.

- (d) Subject to sub-clause 1.3(c) or 1.3(e) if a Member is paid shift allowances for shifts worked by the Member during a relevant period, then, for the purposes of sub-clause 1.2(a)(i)(A), the Member's loading for those allowances is to be determined by reference to the number of shifts the Contributor is taken to have worked (as calculated in accordance with sub-clause 1.3(f)) during the relevant period. The loading is:

- (f) For the purposes of sub-clause 1.3(d), the number of shifts a Contributor is taken to have worked during a relevant period, being shifts for which a shift allowance is paid, is the number calculated as follows:

$$N = \frac{H \times S}{H_o}$$

where:

N is the number of such shifts the Contributor is taken to have worked during the relevant period.

H is the number of hours per shift regularly required to be worked in such shifts during the relevant period.

H_o is the smallest number of hours per shift regularly required to be worked (whether by the Contributor or any comparable worker) in such shifts during any calendar year after 1987, including the relevant period.

- (c) The amount nominated is to be not less than the monetary remuneration payable to the Executive Officer at the date of nomination and not more than the total value of the remuneration package paid to the officer (less the cost of providing Employer's contributions to superannuation and any performance-related incentive payment).
- (d) If an Executive Officer fails to nominate an amount of Salary within 28 days of first being appointed as an Executive Officer or within such further period as the Trustee may allow, the officer is taken to have nominated an amount of Salary that is equal to the monetary remuneration payable to the officer at the end of the applicable period.
- (e) An Executive Officer may, from time to time, by notice to the officer's Employer elect to reduce the amount of Salary nominated under this sub-clause 1.2, but not so that the amount is less than the monetary remuneration payable to the officer at the date of the election.
- (f) An Executive Officer may, from time to time, by notice to the officer's Employer elect to increase the amount of Salary nominated under this sub-clause 1.2, but not so as to increase the amount nominated by a percentage of that amount that is more than the percentage by which the remuneration package of the officer has increased since the amount of Salary was last nominated or changed.
- (g) An Employer must notify the Trustee of a nomination or election under this sub-clause 1.2. Any such nomination or election takes effect on the date of notification to the Trustee or on such other date as the Trustee may determine with the consent of the Executive Officer concerned.
- (h) Nothing in this sub-clause 1.2 requires the nominated amount of Salary to be increased if, because of a variation in the remuneration package of an Executive Officer or in the

proportions of the remuneration package comprising monetary remuneration and employment benefits of the officer, the amount of Salary as last nominated or changed for the purposes of this sub-clause 1.2 is less than the monetary remuneration of the officer.

- (i) In this sub-clause 1.2, the ***monetary remuneration*** payable to an Executive Officer is:
 - (i) if the officer is a Chief Executive Officer or Senior Executive Officer, the monetary remuneration payable in accordance with the *Government Sector Employment Act 2013* (NSW); or
 - (ii) if the officer is an office holder nominated for the purposes of section 11A of the *Statutory and Other Offices Remuneration Act 1975* (NSW), the remuneration payable to the officer as reduced under that section by the cost of employment benefits provided to the officer; or
 - (iii) if the officer is an Eligible Person, the monetary remuneration payable to the officer.

1.3 Definition of Salary

- (a) For the purposes of this Annexure, ***Salary***, in relation to a Contributor (other than an Executive Officer) means the sum of:
 - (i) the remuneration, salary or wages payable in money to the Contributor in the Contributor's capacity as a Contributor, as reported to the Trustee from time to time by the Contributor's Employer, including:
 - (A) a loading in respect of any shift allowance, as determined by or under this Annexure;
 - (B) other allowances payable in money that are of a kind included within the value of leave paid on termination of employment; and
 - (C) weekly workers compensation paid to the Contributor as from the date the weekly workers compensation commences to be paid,
 but not including the excluded amounts or allowances referred to in sub-clause 1.3(c); and
 - (ii) if approved employment benefits are provided to the Contributor, the cost of providing the approved employment benefits, as determined by the Employer and notified to the Trustee.
- (b) The weekly workers compensation to be treated as Salary for the purposes of this Annexure does not include any amount by which the aggregate of:
 - (i) the weekly workers compensation paid to an injured Contributor; and
 - (ii) the Salary actually paid to that Contributor while partially incapacitated,
 exceeds the Salary that the Contributor would probably have been earning but for the injury (assuming the Contributor had continued to be employed in the same or some comparable employment).

- (c) The excluded amounts or allowances are:
- (i) an amount paid for overtime or as a bonus, or an allowance instead of overtime;
 - (ii) except to the extent determined in accordance with sub-clause 1.7, as referred to in sub-clause 1.3(a), an amount paid as shift allowance;
 - (iii) except to the extent that this sub-clause 1.3 otherwise provides, a Relieving Allowance;
 - (iv) an expense allowance or an allowance for travelling, subsistence or other expenses;
 - (v) an equipment allowance;
 - (vi) an amount paid for rent or as a residence, housing or quarters allowance; and
 - (vii) an amount of weekly workers compensation excluded by sub-clause 1.3(b).
- (d) If a Contributor's Employer, or a person authorised to do so on behalf of the Employer, certifies in writing to the Trustee that a Relieving Allowance to be, or being, paid to the Contributor in the Contributor's capacity as an Employee is likely to be paid for a continuous period of 1 year (whether or not the period is partly before the date of the certificate), the allowance is, as from the later of:
- (i) the date on which the certificate is lodged with the Trustee; and
 - (ii) the date from which the allowance becomes payable,

Salary for the purposes of this Annexure.

- (e) If a Relieving Allowance has been paid to a Contributor in the Contributor's capacity as an Employee for a continuous period of 1 year that ends after the commencement of this sub-clause 1.3 and, during that period, the allowance has not been treated as part of the Contributor's Salary in accordance with sub-clause 1.3(d), the allowance shall, as from the expiration of that period of 1 year, be treated as part of the Contributor's Salary while its payment to the Contributor continues.
- (f) In this sub-clause 1.3:

approved employment Benefit means a Benefit provided to a Contributor at the cost of the Contributor's Employer (being a Benefit of a private nature) that is approved by the Trustee, for the purposes of this sub-clause 1.3 in relation to the Contributor or a class of Employees of which the Contributor is a member;

shift allowance means an allowance paid to an Employee in respect of shift work performed by the Employee, and includes amounts paid as penalty rates.

weekly workers compensation, in relation to a Contributor, means weekly payments of compensation under the *Workers Compensation Act 1987* (NSW) (or the provisions of the *Workers Compensation Act 1926* (NSW) as applied by that Act) payable to the Contributor because the Contributor is partially incapacitated for work through injury.

- (g) Any allowances or other kinds of remuneration treated as Salary immediately before the commencement of this sub-clause 1.3 in relation to a Contributor shall continue to be treated as Salary for the purposes of this Annexure, but only in relation to that Contributor.

1.4 Certain Persons not entitled to Contribute

- (a) Notwithstanding any other provision of this Annexure (except sub-clause 1.4(c)), a person is not required or entitled to commence contributing under this Annexure on or after 1 July 1985.
- (b) Sub-clause 1.4(a) applies, subject to sub-clause 1.4(c), to a person who was previously a Contributor to the State Superannuation Scheme, whether before or after 1 July 1985.
- (c) Sub-clause 1.4(a) does not apply to:
 - (i) a person who was, immediately before 1 July 1985, an Employee but was not contributing to the State Superannuation Scheme, being a person to whom sub-clause 1.5 applies and who elects to become a Contributor under this Annexure in accordance with that sub-clause 1.5;

 - (i) who was, immediately before 1 July 1985, an Employee but was not contributing to the State Superannuation Scheme; and
 - (ii) who would, but for section 1A of the *Superannuation Act 1916* (NSW), have been required or entitled, subject to the provisions of that Act, to contribute to the State Superannuation Scheme.
- (b) This sub-clause 1.5 does not apply to:
 - (i) a person exempted from contributing to the State Superannuation Scheme under section 10T of the *Superannuation Act 1916* (NSW); or

 - (i) before 1 July 1985, the Employer of the person had notified the State Authorities Superannuation Board that the person was an Employee; or

 - (B) the person lodges at the office of the Trustee a certificate signed by or on behalf of his or her Employer stating that the person is an Employee.
- (d) Where, immediately before 1 July 1985, a person was an Employee but was, under section 10C of the *Superannuation Act 1916* (NSW), being treated by the State Authorities Superannuation Board as if he or she were not an Employee, the person may elect to contribute under this Annexure only if:
- (i) the person had not attained the Maturity Age before that day or, if the person had attained that age, has not served for at least 10 years with any one or more Employers;
 - (ii) on or before 30 September 1985 the person lodged a request with his or her Employer that arrangements be made for the person to submit himself or herself to a prescribed medical examination (as defined in section 10A of the *Superannuation Act 1916* (NSW)); and
 - (iii) the person submits himself or herself to the examination arranged pursuant to that request and, in the opinion of the Trustee, passes that examination.

- (f) Sub-clause 1.5(e) ceases to apply in respect of a person to whom this sub-clause 1.5 applies if, pursuant to sub-clause 3.2, the Trustee treats the person as if the person had not been an Employee and sub-clause 1.5(e) shall not thereafter apply in respect of that person.

1.7 Shift Allowance

- (a) In this sub-clause 1.7:

agreement means an industrial agreement in force under the *Industrial Arbitration Act 1940* (NSW) as in force immediately before 18 December 1987;

award means an award in force under the *Industrial Arbitration Act 1940* (NSW) as in force immediately before 18 December 1987;

base salary, in relation to a Contributor, means the remuneration, salary or wages payable to the Contributor under an award or agreement after excluding all allowances;

industrial organisation means:

- (i) an industrial union of Employees registered under the *Industrial Arbitration Act 1940* (NSW) as in force immediately before 18 December 1987; or
- (ii) an organisation of Employees registered under the *Conciliation and Arbitration Act 1904* (Cth) as in force immediately before 18 December 1987;

relevant period, in relation to a Contributor, means the period of 12 months ending on 31 December preceding the date on which the Salary of the Contributor is to be calculated for the purposes of sub-clause 1.3.

- (b) For the purposes of sub-clause 1.3(a)(i) the loading (if any) to be treated as part of a Contributor's Salary is determined by reference to whichever of the provisions of sub-clause 1.7(c), 1.7(d) or 1.7(e) is applicable to the Contributor.
- (c) If:
- (i) there is in force an agreement between, or a practice accepted by, an industrial organisation and the Employer of a Contributor which was in force immediately before 18 December 1987; and
 - (ii) the effect of the agreement or practice is that an amount in respect of any shift allowance paid to the Contributor by the Employer for shifts worked by the Contributor during a relevant period is to be treated as a loading for superannuation purposes; and
 - (iii) that amount is greater than that which would be determined for that period in respect of the Contributor under sub-clause 1.7(d),
- then the amount referred to in sub-clause 1.7(c)(ii) is, for the purposes of sub-clause 1.3(a)(i), the loading for the Contributor in respect of that shift allowance.
- (d) Unless sub-clause 1.7(c) or 1.7(e) applies, if a Contributor is paid a shift allowance for shifts worked by the Contributor during a relevant period, the loading for the Contributor in respect of that shift allowance is to be determined by reference to the number of shifts the Contributor is taken to have worked (as calculated in accordance with sub-clause 1.7(f)) during the relevant period. The loading is:
- (i) nil, if during the relevant period the Contributor is taken not to have worked more than 104 shifts; or
 - (ii) an amount equal to 10% of the Contributor's base salary for the relevant period, if during that period the Contributor is taken to have worked more than 104 shifts but not more than 156 shifts; or
 - (iii) an amount equal to 15% of the Contributor's base salary for the relevant period, if during that period the Contributor is taken to have worked more than 156 shifts but not more than 208 shifts; or
 - (iv) an amount equal to 20% of the Contributor's base Salary for the relevant period, if during that period the Contributor is taken to have worked more than 208 shifts.
- (e) If the amount actually paid or payable to a Contributor as a shift allowance in respect of shifts worked by the Contributor during a relevant period is less than the amount of loading for that period determined in respect of the Contributor in accordance with sub-clause 1.7(d), the amount so paid is, for the purposes of sub-clause 1.3(a)(i), the loading for the Contributor in respect of that shift allowance.
- (f) For the purposes of sub-clause 1.7(d), the number of shifts a Contributor is taken to have worked during a relevant period, being shifts for which a shift allowance is paid, is the number calculated as follows:

$$N = \frac{H \times S}{H_0}$$

where:

- N* is the number of such shifts the Contributor is taken to have worked during the relevant period.
- H* is the number of hours per shift regularly required to be worked in such shifts during the relevant period.
- Ho* is the smallest number of hours per shift regularly required to be worked (whether by the Contributor or any comparable worker) in such shifts during any calendar year after 1987, including the relevant period.
- S* is the number of such shifts the Contributor actually worked during the relevant period.

3.2 Failure etc. to undergo medical examination

- (b) Where a person is being treated by the Trustee under sub-clause 3.2(a) as if the person were not an Employee and the person subsequently passes a medical examination:
 - (i) the Trustee shall cease treating the person in that way pursuant to that sub-clause 3.2(a) as from the time when, in the opinion of the Trustee, the person so passed the examination; and
 - (ii) if at that time the person would, apart from this sub-clause 3.2, have been an Employee, the Trustee shall treat him as if the person had become an Employee at that time.

- (c) Where:
- (i) a person has been required to submit to a medical examination; and
 - (ii) the Trustee forms the opinion that the person refused or wilfully neglected to submit to the examination,

the Benefit payable on the person ceasing, or, as the case may be, having ceased, to be an Employee (whether by reason of his death or in any other circumstances except those referred to in sub-clause 12.1) shall be that which would be payable if the person had Resigned and elected under sub-clause 13.19 to take the Benefit of sub-clause 13.17 and no pension or other Benefit shall be payable to the person or to, or in respect of, any other person as a consequence of the person so ceasing or having ceased to be an Employee.

- (d) Where the Trustee forms the opinion referred to in sub-clause 3.2(c) in relation to a person and the person subsequently submits to a medical examination and, in the opinion of the Trustee, passes the examination:

- (e) Except as provided by sub-clause 3.2(f), where an Employee who, in the opinion of the Trustee, did not submit to a medical examination as required by sub-clause 3.1(b), being an Employee who is not a person to whom sub-clause 3.2(c) applies, ceases to be an Employee (whether by reason of death or in any other circumstances), the Trustee shall treat the person as if the person had not, for the period of the person's employment, been an Employee.
- (f) Sub-clause 3.2(e) does not apply in respect of a person:
- (i) who, in the opinion of the Trustee, did not submit to a medical examination; and
 - (ii) in respect of whom, but for this sub-clause 3.2(f), sub-clause 3.2(e) would apply,

where the Trustee is of the opinion, having regard to such evidence as is available to it, that the person would have passed a medical examination.

3.3 Suppressed or misleading information

- (a) This sub-clause 3.3 applies to a person if the person was medically examined at a medical examination and the examining medical practitioner, at any time after a report is made with respect to the examination, forms the opinion that the person suppressed information, or gave misleading information, in connection with the examination and that, as a result, the report would have been different if all information, or correct information, in that connection had been given.

- (b) The Trustee may require a person to whom this sub-clause 3.3 applies to undergo a medical examination.
- (c) The Trustee may, in relation to a person to whom this sub-clause 3.3 applies (whether or not the person has undergone a medical examination in accordance with a requirement under sub-clause 3.3(b)):
 - (i) treat the person for the purposes of this Annexure in such manner; and
 - (ii) take such action,

as will, in the opinion of the Trustee, result in the person, and the person's Spouse and children, as the case may require, being placed, as nearly as possible, in the position under this Annexure that they would be or would have been placed at all relevant times had all the information, or correct information, been given as referred to in sub-clause 3.3(a).

- (d) The action which the Trustee may take under sub-clause 3.3(c) may include any or all of the following:

- (c) A Contributor may, within 2 months after the Contributor's Annual Review Day in any half-year, elect to abandon any 1 or more of the optional units of pension in respect of which, but for the election, the Contributor, would be required by this sub-clause 5.4 to commence contributing under this Annexure.
- (d) Where a Contributor entitled to make an election under sub-clause 5.4(c) dies without making such an election before the expiration of the period within which, but for the Contributor's death, the Contributor could have made the election, the Contributor's Spouse may, before the expiration of that period, make the election.

5.5 Abandoned Units to be taken up if contributions fall below 6% of Salary

- (a) On a Contributor's Annual Review Day, if the Contributor has Abandoned Units and the annual cost to the Contributor for the units of pension for which contributions are payable by the Contributor is less than an amount representing 6% of the annual Salary of the Contributor at the rate actually being paid:
 - (i) where there are no additional units of pension as referred to in sub-clause 5.4(a), the Contributor shall take up the lesser of all of the Abandoned Units and the number of Abandoned Units for which the annual cost is equal to the shortfall; or
 - (ii) where there are additional units of pension as so referred to but the annual cost to the Contributor for the additional units is less than the shortfall, the Contributor shall take up the lesser of all of the Abandoned Units and the number of Abandoned Units for which the annual cost is equal to the balance of the shortfall.
- (b) Where, under this sub-clause 5.5, a Contributor is required to take up an Abandoned Unit which the Contributor had on the Contributor's Annual Review Day in any half-year:
 - (i) the Contributor shall commence to contribute for the unit as from the Contributor's Annual Adjustment Day in that half-year; and

annual cost is equal to an amount representing 6% of the annual Salary of the Contributor at the rate actually being paid on the net preceding Annual Review Day of the Contributor.

- (b) On an Annual Review Day on which this sub-clause 5.6 applies to a Contributor, sub-clauses 5.4 and 5.5 shall be construed, in their application to the Contributor on that day, as if references in those sub-clauses to 6% were references to the minimum prescribed percentage referred to in sub-clause 5.6(c).
- (c) For the purpose of sub-clause 5.6(b), *the minimum prescribed percentage* in relation to a Contributor on an Annual Review Day is the lesser of:
 - (i) the sum of:
 - (A) 1%; and
 - (B) the percentage, on the next preceding Annual Review Day, of the annual Salary of the Contributor at the rate actually being paid at that preceding Annual Review Day that represents the amount that is equal to the annual cost to the Contributor for the units of pension for which contributions were payable by the Contributor on the Annual Adjustment Day of the Contributor next following that preceding Annual Review Day; and
 - (ii) 6%.

5.7 Increase of contributions: Exit Days

- (a) Subject to the Deed, where the number of units of pension that, pursuant to sub-clause 11.1(a), is appropriate for the Salary actually being paid to a Contributor on the Contributor's Exit Day is higher than the aggregate of:

 - (ii) the number of units of pension (if any) for which the Contributor has completed contributing; and
 - (iii) the number of the Contributor's Abandoned Units (if any),

the former Contributor or the former Contributor's Spouse shall, within one month after the Contributor's Exit Day, or within such further period as the Trustee may, in special circumstances, allow, contribute under this Annexure in respect of the additional number of units of pension in accordance with this Annexure.

- (b) On a Contributor's Exit Day:
 - (i) if the annual cost to the Contributor for the units of pension for which contributions are payable by the Contributor is not less than an amount representing 6% of the annual Salary of the Contributor at the rate actually being paid, the additional units of pension referred to in sub-clause 5.7(a) are optional units of pension; and
 - (ii) if:

- (A) the annual cost to the Contributor for the units of pension for which contributions are payable by the Contributor is less than an amount representing 6% of the annual Salary of the Contributor at the rate actually being paid; and
- (B) the number of additional units of pension referred to in sub-clause 5.7(a) is in excess of the number for which the annual cost is equal to the shortfall under sub-clause 5.7(b)(ii)(A),

the excess additional units of pension are optional units of pension.

- (c) A Contributor may, within 1 month after the Contributor's Exit Day, elect to abandon any 1 or more of the optional units of pension in respect of which, but for the election, the Contributor would be required by this sub-clause 5.7 to make a contribution under this Annexure.
- (d) Where a person entitled to make an election under sub-clause 5.7(c) dies without making such an election before the expiration of the period within which, but for the Contributor's death, the Contributor could have made the election, the person's Spouse may, before the expiration of that period, make the election.
- (e) This sub-clause 5.7 does not apply to or in respect of a former Contributor unless:
 - (i) the former Contributor or the former Contributor's Spouse is entitled to a pension under this Annexure (other than a pension under sub-clause 13.4) consequent on the former Contributor's ceasing to be an Employee; or
 - (ii) the former Contributor elects to take the Benefit of sub-clause 13.15.

5.8 No contributions for more than appropriate number of units

Except in the circumstances specified in clause 6 and except in consequence of an approval under section 13A of the *Superannuation Act 1916* (NSW) (as in force at any time before 13th January 1977), an Employee shall not contribute in respect of a number of units of pension that is greater than the number that, pursuant to sub-clause 11.1(a), is appropriate for his Salary.

- (a) Where the Salary of a Contributor is reduced, the Contributor shall continue to contribute for any units of pension that are in excess of the number of units that is, pursuant to sub-clause 11.1(a), appropriate to the Contributor's Salary as reduced.
- (b) Where the Salary of a Contributor is reduced (whether before, on or after 13th January 1977) and the Salary as reduced is actually paid as from a date after 12th January 1977, the Contributor may, within 2 months after the date on which the reduced Salary is actually paid to the Contributor, elect not to contribute for one or more units of pension, not exceeding the difference between:
 - (i) the number of units that is, pursuant to sub-clause 11.1(a), appropriate to the Contributor's Salary as reduced; and
 - (ii) the number of units that is, pursuant to sub-clause 11.1(a), appropriate to the Contributor's Salary as at the latest of whichever of the following days is applicable to the Contributor, namely:
 - (A) the Contributor's last Annual Review Day;
 - (B) the day as from which the number of units of pension for which the Contributor was contributing was last reduced under this sub-clause 6.1 or sub-clause 6.3 or 6.4

but so that the number of units in respect of which the Contributor contributes is not reduced to less than 6.

- (c) Where a Contributor elects not to contribute for a unit of pension under sub-clause 6.1(b), the Contributor's contributions under this Annexure in respect of the unit shall cease on and from the first day of the Contribution Period in which the Salary as reduced is actually paid and shall be refunded to the Contributor.
- (d) No person has any rights under this Annexure in respect of a unit of pension to which an election under sub-clause 6.1(a) relates.
- (e) No person has any rights under this Annexure in respect of an excess unit of pension referred to in sub-clause 6.1(a) and not the subject of an election under sub-clause 6.1(b), unless the Trustee is satisfied that the Contributor's Salary was reduced by reason of ill health or for some other reason which the Trustee, having regard to the circumstances of the case, considers warrants the retention of entitlement to Benefits under this Annexure in respect of the unit.
- (f) Where no person has any rights under this Annexure in respect of a unit of pension, as referred to in sub-clause 6.1(e), and the Contributor ceases to be an Employee, any contributions made by the Contributor in respect of the unit shall be refunded to him.

6.2 Fluctuations in Salary

- (a) Where the number of units of pension that, pursuant to sub-clause 11.1(a), was appropriate to the Salary actually being paid to a Contributor at any time after 12 January 1976 was higher than the number of units that, pursuant to sub-clause 11.1(a), was or is appropriate to the Salary actually being paid to the Contributor at the Contributor's net review day after that time, the Trustee may determine that the Contributor's Salary as at the review day shall be treated as if it had been equal to the Contributor's Salary as at the earlier time.
- (b) A determination under this sub-clause 6.2 shall not take effect unless the appropriate contributions in respect of the additional units of pension (being the contributions that would have been already or would be payable in accordance with this Annexure had the greater Salary in fact been paid to the Contributor at the review day) have been or are paid to the Trustee within a period approved by the Trustee.
- (c) Where a determination under this sub-clause 6.2 has effect, then, for all purposes of this Annexure:
 - (i) the Contributor's Salary shall be treated in accordance with the determination; and
 - (ii) the Contributor shall be deemed to have been contributing for the additional units of pension as from the commencement of the period to which the contributions referred to in sub-clause 6.2(b) relate.

- (d) In this sub-clause 6.2:

Contributor includes former Contributor;

review day means Annual Review Day or Exit Day.

- (b) On the termination of a period of leave of absence by a Contributor in respect of which sub-clause 11.3(a) or 11.3(e) applies before the expiration of the period or of a period in respect of which sub-clause 11.4(a) or 11.5(d) applies:
- (i) the Contributor shall be deemed not to have ceased to contribute for the number of units of pension for which the Contributor ceased to contribute under sub-clause 6.3(a) but shall be deemed to have ceased to contribute for the number of units of pension (if any) equal to the difference between:
 - (A) the number of units of pension (if any) for which the Contributor has completed contributing and the number of units (if any) for which, but for the application of sub-clause 6.3(a) on the commencement of the period and of this sub-clause 6.3(b) on the termination, contributions would be payable by the Contributor; and
 - (B) the number of units of pension that, pursuant to sub-clause 11.1(a), is appropriate to the Salary actually being paid to the Contributor;
 - (ii) all contributions for units of pension which would have been payable, had the Contributor ceased to contribute for the number of units of pension equal to the difference on the commencement of the period, shall be deemed to have been payable by the Contributor; and
 - (iii) any contributions for units of pension which have been refunded or applied in accordance with a direction by the Contributor as referred to in sub-clause 6.3(c) and which are payable as referred to in sub-clause 6.3(b)(ii) shall be payable in respect of those units.
- (c) Where a Contributor ceases to contribute for a unit of pension under this sub-clause 6.3, the Contributor's contributions under this Annexure in respect of the unit shall cease, on and from the first day of the Contribution Period in which the period concerned commences, and any contributions paid in respect of that unit shall, unless the Contributor directs the Trustee to apply them towards contributions payable in respect of other units of pension during the period, be refunded to the Contributor.

- (d) No person has any rights under this Annexure in respect of a unit of pension for which contributions have ceased under this sub-clause 6.3 and have not again become payable.

- (b) On a change in the employment status of a Contributor, the Contributor shall cease to be a Contributor for the units of pension in respect of which contributions were payable by the Contributor, or for which the Contributor had completed contributing, before that change (other than any reserve units in respect of which contributions are payable under sub-clause 11.7).
- (c) No person has any rights under this Annexure in respect of units of pension for which a person has ceased to be a Contributor pursuant to sub-clause 6.4(b).
- (d) Where a Contributor whose employment status changes ceases to be a Contributor for units of pension pursuant to sub-clause 6.4(b), the Contributor's contributions under this Annexure in respect of those units of pension shall cease, as on and from the first day of the Contribution Period in which the change occurred.
- (e) Any contributions paid in respect of units of pension for which a person has ceased to be a Contributor on a change in employment status shall be allocated towards the purchase of the number of fully paid up units calculated in accordance with the following formula:

$$PUU = TU + IU + UC$$

where:

PUU is the number of units purchased;

TU is the highest whole number obtained from the calculation of the formula:

$$\frac{UHn - Cn}{Rn} \quad (\text{except where } Cn \text{ exceeds } UHn);$$

UHn is the number of units of pension for which contributions were payable by the Contributor immediately before the change occurred in accordance with the tables of contributions fixed by or under this Annexure, but excluding:

- (i) any such units of pension which are excess units of pension referred to in sub-clause 6.1(a) and in respect of which no person has any rights under this Annexure; and
 - (ii) any such units of pension, being reserve units, for which contributions were being made under sub-clause 11.7;
- Cn** is the amount of contributions due, for the Contribution Period preceding that in which the change occurred, in respect of that number of units of pension;
- Rn** is the relevant amount under sub-clause 6.4(f) in relation to the Contributor for an additional unit of pension;
- IU** is the highest whole number obtained from the calculation of the formula:
- $$\frac{TCB}{RB}$$
- TCB** is the total amount paid in respect of instalments payable by the person on or before the time the change occurred for units of pension for which the Contributor contributed in accordance with Part 9 (but deducting therefrom any part of that amount allocated under this Annexure to the purchase of fully paid up units);
- RB** is the amount specified in sub-clause 9.1(a) as the cost of a unit of pension in relation to the Contributor;
- UC** is the number of units (if any) purchased by the person and credited to the person as fully paid up units under this sub-clause 6.4, or otherwise.
- (f) For the purposes of sub-clause 6.4(e), the relevant amount in relation to a Contributor whose employment status changes for an additional unit of pension is:
- (i) where the Contributor has attained the Prescribed Age on or before the last day of the Contribution Period preceding that in which the change occurred, the amount which, if the Contributor were required under Part 8 to commence to contribute for an additional unit of pension on that day, would be the amount payable in accordance with the tables of contributions fixed under sub-clause 8.3 for that unit for a Contribution Period; or
 - (ii) where the Contributor has not attained the Prescribed Age on or before that day, the amount equal to the sum of:
 - (A) the amount payable by the Contributor for any additional unit of pension for which the Contributor had been required to commence contributing on and from the Contributor's last Annual Adjustment Day before the change occurred for a Contribution Period or, as the case may be, the amount that would have been so payable if the Contributor had been so required; and
 - (B) for each day of the period commencing on the day following that Annual Adjustment Day and ending on the last day of the Contribution Period preceding that in which the change occurred, the amount equal to 1/364th part of the difference between the amount referred to in sub-

clause 6.4(f)(ii)(A) and the amount which that amount would have been if, on that Annual Adjustment Day, the Contributor had been 1 year older than the age actually attained.

- (g) Where, in relation to a Contributor whose employment status has changed, the figure obtained pursuant to sub-clause 6.4(e) from the calculation of the formula:

$$\frac{UH_n - C_n}{R_n}$$

is or includes a fraction, there shall be paid to the Contributor, as a refund of contributions not allocated towards the purchase of fully paid up units, the amount calculated in accordance with the following formula:

$$Q1 = \frac{S \times F1}{P1}$$

where:

Q1 is the amount to be paid;

S is the amount of the contributions paid by the Contributor in respect of the units the number of which is attributed to the symbol UH_n pursuant to sub-clause 6.4(e);

F1 is the fraction which is or is included in the figure obtained;

P1 is the figure obtained.

- (h) Where, in relation to a Contributor whose employment status has changed, the figure obtained pursuant to sub-clause 6.4(e) from the calculation of the formula:

$$\frac{TCB}{RB}$$

is or includes a fraction, there shall be paid to the Contributor, as a refund of instalments not allocated towards the purchase of fully paid up units, the amount calculated in accordance with the following formula:

$$Q2 = \frac{TCB \times F2}{P2}$$

where:

Q2 is the amount to be paid;

TCB is the amount attributed to that symbol pursuant to sub-clause 6.4(e);

F2 is the fraction which is or is included in the figure obtained;

P2 is the figure obtained.

- (i) Where a person's contributions are allocated to the purchase of paid up units under this sub-clause 6.4 on a change in employment status:

- (i) the person shall, on and from that change occurring, be deemed to be a Contributor for the number of units purchased and to have contributed for those units for a period of 2 years and 6 months but shall not be required to make further contributions in respect of those units; and
 - (ii) the Employer in whose Service the person is employed will not be required to make, before the retirement of the person, any further contribution in respect of those units of pension.
- (j) Subject to the Deed, where the number of units of pension that, pursuant to sub-clause 11.1(a), is appropriate for the Salary certified by the Employer of a Contributor to be the Salary which would be paid to the Contributor if employed full-time in the position in which the Contributor is employed on a change in employment status is higher than the number of fully paid up units credited to the Contributor under this sub-clause 6.4, the Contributor shall, as on and from the first day of the Contribution Period in which the change occurs, contribute in respect of the additional number of units of pension in accordance with this Annexure.
- (k) On the day on which the employment status of a Contributor changes, if the number of additional units of pension referred to in sub-clause 6.4(j) is in excess of the number for which the annual cost to the Contributor is equal to an amount representing 6% of the annual Salary of the Contributor at the rate actually being paid, the excess units of pension are optional units of pension.
- (l) A Contributor may, within 2 months after the day on which the employment status of the Contributor changes, elect to abandon any one or more of the optional units of pension in respect of which, but for the election, the Contributor would be required by this sub-clause 6.4 to commence contributing under this Annexure.
- (m) Where a Contributor elects not to contribute for a unit of pension under sub-clause 6.4(l), contributions under this Annexure in respect of the unit shall cease as on and from the first day of the Contribution Period in which the employment status of the Contributor changes and any contributions paid in respect of the unit shall be refunded to the Contributor.

- (q) Where a Contributor whose employment status changes is a Contributor whose Entry Payment Day in the State Superannuation Scheme occurred before 1 July 1985 and, immediately before the change occurred:

- (i) the Contributor had any Abandoned Units; and
- (ii) the annual cost to the Contributor for the units of pension for which contributions were payable by the Contributor was an amount representing a percentage which was less than 6% of the annual Salary of the Contributor at the rate actually being paid on the Contributor's previous Annual Review Day, the number of those units being less than the number for which the annual cost was equal to an amount representing 6% of that annual Salary,

such of the additional units of pension (if any) referred to in sub-clause 6.4(j) as are in excess of the number for which the annual cost to the Contributor is equal to an amount representing that lesser percentage of the annual Salary at the rate actually being paid to the Contributor on the day the change occurred are optional units of pension for the purposes of sub-clause 6.4(l), notwithstanding anything to the contrary in sub-clause 6.4(k).

8.4 Cessation of Contributions

Subject to this Annexure, contributions payable under this Annexure by a Contributor under this clause 8 in respect of any units of pension, other than those for which the Contributor contributes by instalments under sub-clause 9.2, and those referred to in sub-clause 8.5, shall cease to be payable in respect of those units on the first day of the Contribution Period in which the Contributor ceases to be an Employee or attains the Maturity Age, whichever first occurs.

8.5 Units taken up at Exit Day

- (a) The contribution of a former Contributor referred to in sub-clause 5.7(a) in respect of an additional unit of pension shall, if the former Contributor's Exit Day is before the Contribution Period in which the former Contributor would attain the Maturity Age, and whether or not the former Contributor has attained the Prescribed Age, be the

contribution payable for one Contribution Period in accordance with the appropriate table of contributions.

- (b) Where:
 - (i) an election by a former Employee or a former Employee's Spouse under sub-clause 7.3 to take up an Abandoned Unit takes effect; and
 - (ii) the former Employee's Exit Day is before the Contribution Period in which the former Employee would attain the Maturity Age,

the contribution payable in respect of the unit shall, whether or not the former Employee has attained the Prescribed Age, be the contribution for one Contribution Period in accordance with the appropriate table of Contributions.

9. CONTRIBUTIONS BY EMPLOYEES FOR UNITS OF PENSION OTHERWISE THAN AT TABLE RATES

9.1 Cost of units of pension

- (a) For the purposes of this clause 9, and notwithstanding anything contained in the Deed, the cost of a unit of pension is, in relation to an Employee:
 - (i) who was a Contributor to the State Superannuation Scheme at 30th June 1963 and has continued to be a Contributor since that date, and:
 - (A) who, being a woman Contributor, elected to contribute at the rate prescribed for retirement at the age of 55 years, \$450.90;
 - (B) who, being a woman Contributor, elected to contribute at the rate prescribed for retirement at the age of 60 years, \$395.54; or
 - (C) who is a male Contributor, \$396.90; or
 - (ii) who commenced to contribute to the State Superannuation Scheme after 30th June 1963 and:
 - (A) who, being a woman Contributor, elected to contribute at the rate prescribed for retirement at the age of 55 years, \$534.40;
 - (B) who, being a woman Contributor, elected to contribute at the rate prescribed for retirement at the age of 60 years, \$468.80; or
 - (C) who is a male Contributor, \$499.68 in respect of each of the first 2 units, and \$493.28 in respect of each subsequent unit.
- (b) Notwithstanding sub-clause 9.1(a), where an Employee who, being a woman, elected to contribute at the rate prescribed for retirement at the age of 55 years has attained the age of 60 years on or before her Entry Payment Day, Annual Adjustment Day or Exit Day, the cost of a unit of pension for which she commences to contribute on or after that day shall, for the purposes of this clause 9, be the cost applicable had she elected to contribute at the rate prescribed for retirement at the age of 60 years.

9.2 Employees who have reached the Prescribed Age

- (a) Subject to sub-clauses 8.5 and 9.3, where an Employee who has reached the Prescribed Age on or before the Employee's Entry Payment Day or Annual Adjustment Day, as the case may require, is required or elects to commence contributing for a unit of pension, the Employee shall, subject to this sub-clause 9.2, contribute the cost of the unit by 65 four-weekly instalments, each such instalment being equal to an amount determined by the Trustee, being an amount that is, or is not less by more than a fraction of a cent than, one sixty-fifth of that cost.
- (b) Where an Employee referred to in sub-clause 9.2(a) ceases to be employed by the Employer prior to completion of payment of instalments pursuant to sub-clause 9.2(a), the following provisions apply:
 - (i) where the Employee retires after reaching the Maturity Age, the total amount of Contributions unpaid as at the date of retirement shall be paid within one month after the date upon which the Employee ceases to be so employed, or within such further period as the Trustee may, in special circumstances, allow;
 - (ii) where the Employee is retired in accordance with sub-clause 12.5, or elects to retire under sub-clause 13.1(b), or is Retrenched before reaching the Maturity Age, the total amount of contributions unpaid as at the last day of the Contribution Period preceding that in which the Employee ceases to be employed shall be paid within one month after the date upon which the Employee ceases to be so employed, or within such further period as the Trustee may, in special circumstances, allow;
 - (iii) where the Employee dies and is survived by a Spouse, the Spouse, if a pension is payable to the Spouse in accordance with sub-clause 13.6, shall within 3 months after the death of the Employee, or within such further period as the Trustee may, in special circumstances, allow, pay the total amount of contributions unpaid as at the date of the Employee's death.
- (c) Where the total amount of contributions required to be paid by sub-clause 9.2(b)(i), 9.2(b)(ii) or 9.2(b)(iii) is not paid within the time prescribed, or within such further period as the Trustee may, in special circumstances, allow, the Employee or the Spouse of the Employee, as the case may be, shall be refunded the amount of the instalments paid pursuant to sub-clause 9.2(a).
- (d) Where a refund is payable under sub-clause 9.2(c), no person has any rights under this Annexure in respect of the unit or units of pension to which the refund relates, but nothing in this sub-clause 9.2(d) affects the operation of clause 14 in relation to any such unit.
- (e) A reference in sub-clause 9.2(b) to the total amount of Contributions unpaid as at a particular date is:
 - (i) in relation to an Employee who ceases to be employed by the Employer before attaining the Maturity Age and who commenced contributing for the unit of pension:
 - (A) before the Contribution Period in which the Employee would attain the Maturity Age, a reference to the total amount of Contributions that would have been payable up to and including that date had the tables

of Contributions fixed by or under this Annexure been applicable to the Employee in respect of the unit; or

- (B) after the Contribution Period in which the Employee would attain the Maturity Age, a reference to the cost of the unit; or
- (ii) in relation to an Employee who ceases to be employed by the Employer on or after attaining the Maturity Age, a reference to the cost of the unit, less the amount of instalments paid pursuant to sub-clause 9.2(a).
- (f) Where, but for this sub-clause 9.2(f), the 65 instalments payable in respect of a unit of pension pursuant to sub-clause 9.2(a) would be less than the cost of the unit, the 65th instalment shall, notwithstanding that sub-clause, be increased by the difference.

9.3 Units taken up at Exit Day

- (a) The contribution of a Contributor referred to in sub-clause 5.7(a) in respect of an additional unit of pension shall, if the Contributor's Exit Day is on or after the first day of the Contribution Period in which the Contributor would attain or has attained the Maturity Age, be the cost of the unit.
- (b) Where:
 - (i) an election by a former Employee or a former Employee's Spouse under sub-clause 7.3 to take up an Abandoned Unit takes effect; and
 - (ii) the former Employee's Exit Day is on or after the first day of the Contribution Period in which the former Employee would attain or has attained the Maturity Age,

the contribution payable in respect of the unit shall be the cost of the unit.

10. CONTRIBUTIONS BY EMPLOYERS

10.1 Contributions to be made by an Employer

- (a) An Employer must pay under this Annexure in respect of each Contributor that the Employer employs an amount equal to a specified multiple or percentage of the contributions payable under this Annexure by that Contributor.
- (b) The specified multiple or percentage referred to in sub-clause 10.1(a) is a multiple or percentage that the Trustee periodically fixes in respect of the Employer concerned.
- (c) In determining the contributions payable by an Employer, the Trustee is to have regard to the amount required to meet the full costs of the liabilities under this Annexure.
- (d) The Trustee may require an Employer to pay under this Annexure additional contributions for a specified period if it appears to the Trustee that there is insufficient money in the relevant Employers' reserves for Employers to meet the Employers' liabilities under this Annexure.

10.2 Calculation of contributions and time for payment

- (a) Contributions under this clause 10 shall be calculated on the basis of Contribution Periods.
- (b) An Employer must pay to the Trustee the contributions payable by the Employer in respect of a Contribution Period at such times as the Trustee may require.

10.3 Employer may be required to make further payments in certain cases

- (a) Whenever it appears to the Trustee that there is insufficient money in an Employer Reserve:
 - (i) to pay the Employer-financed portion of a Benefit that is due to or in respect of a Contributor or former Contributor under this Annexure; or
 - (ii) to pay any other amounts that are payable from that reserve,
 the Trustee may require the Contributor's Employer or former Employer, by notice in writing, to pay under this Annexure an amount equal to the amount of the insufficiency.
- (b) If an Employer fails to pay an amount required to be paid under sub-clause 10.3(a) within 14 days after being notified of the requirement, the amount becomes an amount owing under this Annexure and the Trustee may recover that amount accordingly.

10.4 Power of the Trustee to adjust Employer Reserves

Whenever it appears to the Trustee that, because of a change of circumstances, it would be appropriate to adjust the amount that is currently standing to the credit or debit of an Employer Reserve so as to reflect the change of circumstances, the Trustee may adjust that reserve by crediting or debiting that reserve with a specified amount of money and correspondingly debiting or crediting one or more other Employer Reserves.

10.5 Transfer of credits between Employers of transferred Contributors¹

Whenever:

- (a) a Contributor ceases to be employed by an Employer and becomes employed by another Employer; and
- (b) the Contributor continues to be a Contributor under this Annexure,

the Trustee must, as soon as practicable after the Contributor begins the later employment:

- (c) debit the Employer Reserve of the former Employer with the actuarially calculated transfer value referable to the Contributor; and
- (d) credit the Employer Reserve of the new Employer with that value.

¹ This clause 4.3 is referenced in the Treasury Payment Deed. Any future changes to this deed should seek to maintain the clause numbering for this provision.

11. ANCILLARY PROVISIONS

11.1 Contributions to be related to units of pension

- (a) Subject to this Annexure, the Contributions of an Employee under this clause 11 shall be made in respect of units of pension as provided by sub-clause 13.1 and the number of those units, on any particular day, shall be calculated in accordance with the following formula:

$$UE = \frac{S + (9 \times CF)}{260}$$

where:

UE is the number of units of pension;

S is the annual rate of Salary;

CF is 1 or a, whichever is the greater;
b

a is the index number appearing in the Consumer Price Index (All Groups Index) for Sydney last published before that day by the Australian Statistician under the *Census and Statistics Act 1905* (Cth);

b is:

(A) the number 114.6; or

(B) if, after 3 May 1991, the Australian Statistician changes the reference base for the Consumer Price Index (All Groups Index) for Sydney, a number determined by the Trustee, on actuarial advice, to represent what that index would have been for the June quarter 1982 if the change in the reference base had applied at that date.

- (b) Where the number of units of pension calculated in accordance with sub-clause 11.1(a) includes a fraction of a unit, the number of units shall be deemed to be the next highest whole number.
- (c) Any Index number published by the Australian Statistician at any time (and whether before or after the commencement of this sub-clause 11.1(c)) in respect of a particular quarter in substitution for an Index number previously published in respect of that quarter is to be disregarded for the purpose of ascertaining the value of the expression "a" in the formula in sub-clause 11.1(a), unless the Trustee otherwise determines.
- (d) In this sub-clause 11.1, **Index number** and **quarter** have the same meanings as in clause 21.

11.2 Alteration of unit entitlement in certain cases

- (a) Except as provided by sub-clause 11.2(b), a reference (however expressed) in any other provision of this Annexure to the number of units of pension that, pursuant to sub-clause 11.1(a), is appropriate to the Salary being paid to a Contributor on any particular day shall, if 1 or more deduction factors are required to be applied under this sub-clause

11.2 by the Trustee in relation to the Contributor on that day, be construed as a reference to the number of units calculated in accordance with the following formula:

$$U = \frac{NU \times PFS - DT}{PFS}$$

where:

U is the number of units to be calculated;

NU is the number of units that, but for this sub-clause 11.2, would be appropriate to that Salary;

PFS is the sum of:

- (i) the number of years, if any, (including any fractional part of a year calculated on a daily basis) of the period that commenced when the Contributor last became a Contributor and ended on that day (but excluding any part of that period during which the person had been on leave of absence pursuant to sub-clause 15.1); and
- (ii) the number of years, if any, (including any fractional part of a year calculated on a daily basis) by which that day precedes:
 - (A) the date on which the person attains the Maturity Age; or
 - (B) where any employment which, on that day, the Contributor is entitled to count as Service for the purposes of sub-clause 12.1 is, in total, for less than a period of 10 years, the expiration of the balance of that period of 10 years,

whichever is the later;

DT is the total of all deduction factors required to be applied by the Trustee in relation to the Contributor on that day.

- (b) Where the number of units of pension calculated in accordance with the formula specified in sub-clause 11.2(a) is or includes a fraction of a unit:
 - (i) if the fraction is less than one-half, the fraction shall be disregarded; or,
 - (ii) if the fraction is not less than one-half, the fraction shall be deemed to be a whole unit.

11.3 Deduction factors in relation to certain periods of leave of absence

- (a) Except as provided by sub-clause 11.3(b), on and from the commencement of a period of leave of absence without pay by a Contributor, the Trustee shall apply under sub-clause 11.2, in relation to the Contributor, in addition to such other deduction factors (if any) as the Trustee is required to apply in relation to the Contributor, a deduction factor equal to the length of so much of that period as exceeds 3 months (expressed in terms of years, if any, and including any fractional part of a year calculated on a daily basis).

- (b) Sub-clause 11.3(a) does not apply in relation to a period of leave of absence by a Contributor where:
 - (i) the leave is a prescribed form of leave or is leave with respect to which sub-clause 11.8(b), 11.8(c) or 11.8(f) applies;
 - (ii) the period commences before 1 July 1985 or is not more than 3 months; or
 - (iii) before the commencement of that period, the Contributor elects to have sub-clause 11.3(a) not apply in relation to that period.
- (c) The reference to a prescribed form of leave in sub-clause 11.3(b)(i) includes (but is not limited to) a reference to maternity leave and is to be taken to have included such a reference from and including 1 July 1985.
- (d) Where a period of leave of absence to which sub-clause 11.3(a) applies terminates (whether by reason of death of the Contributor or otherwise), on or before the expiration of 3 months of the period, the Trustee shall, on and from that termination, cease to apply under sub-clause 11.2 in relation to the Contributor the deduction factor required under sub-clause 11.3(a) to be applied on and from the commencement of that period.
- (e) The Trustee must apply under sub-clause 11.2, in relation to a Contributor who takes a single period of leave without pay that is sick leave or maternity leave, a deduction factor equal to the length of that part of the period of leave that exceeds 2 years.
- (f) The deduction factor applied under sub-clause 11.3(e) is to be expressed in terms of years and include any fractional part of a year calculated on a daily basis.
- (g) The deduction factor applied under sub-clause 11.3(e) is to be applied on and from the end of 2 years after the commencement of the single period of leave and is in addition to any other deduction factor that the Trustee is required to apply in relation to the Contributor.
- (h) Where a period of leave of absence to which sub-clause 11.3(a) applies terminates (whether by reason of death of the Contributor or otherwise) before the expiration of the whole, but after the expiration of 3 months, of the period or a period of leave of absence is extended after the commencement of the period and the period, as extended, is a period of leave of absence to which sub-clause 11.3(a) applies, the Trustee shall, on and from that termination or extension, apply under sub-clause 11.2 in relation to the Contributor:
 - (i) instead of the deduction factor (if any) required under sub-clause 11.3(a) to be applied on and from the commencement of that period; and
 - (ii) in addition to such other deduction factors (if any) as the Trustee is required to apply in relation to the Contributor,

a deduction factor equal to the length of so much of the period of leave actually taken or the length of so much of the period of leave, as extended, as exceeds 3 months (expressed in terms of years, if any, and including any fractional part of a year calculated on a daily basis).

11.4 Deduction factors for periods determined by the Trustee

- (a) Despite any other provision of this Annexure, the Trustee may apply under sub-clause 11.2, in relation to a Contributor specified by the Trustee, a deduction factor equal to the length of the period for which the Trustee determines that the deduction factor is to apply.
- (b) The deduction factor is to be expressed in terms of years and include any fractional part of a year calculated on a daily basis.
- (c) The Trustee may only make such a determination if it is of the opinion that it is necessary to do so for the purposes of a provision of Relevant Law restricting the acceptance of contributions by a superannuation fund.
- (d) The deduction factor is to be applied on and from the commencement of the period specified by the Trustee and is in addition to any other deduction factor that the Trustee is required to apply in relation to the Contributor.

11.5 Deduction factors in relation to part-time employment

- (a) In this sub-clause 11.5, a reference to the salary ratio in relation to a position in which a person is employed as a part-time Employee is a reference to the ratio of the Salary of the person as a part-time Employee to the Salary certified by the Employer of the person to be the Salary which would be paid to the person if employed full-time in that position.
- (b) Where a Contributor who is not a part-time Employee becomes employed in a position as a part-time Employee or a Contributor who is a part-time Employee becomes employed as a part-time Employee in a position in relation to which the salary ratio is different from that of the former position, the Trustee shall, on and from the day on which the Contributor becomes so employed, apply under sub-clause 11.2, in relation to the Contributor, in addition to such other deduction factors (if any) as the Trustee is required to apply in relation to the Contributor, a deduction factor equal to the figure calculated in accordance with the following formula:

$$D = PA \times (1 - SR)$$

where:

D is the deduction factor;

PA is the number of years, if any, (including any fractional part of a year calculated on a daily basis) by which the day precedes:

- (i) the date on which the Contributor attains the Maturity Age; or
- (ii) where any employment which, on that day, the Contributor is entitled to count as Service for the purposes of sub-clause 12.1 is, in total, for less than a period of 10 years, the expiration of the balance of that period of 10 years,

whichever is the later;

SR is the salary ratio (expressed as a fraction) in relation to the position.

- (c) Where a Contributor who is employed in a position as a part-time Employee ceases to be employed as a part-time Employee or becomes employed in another position in relation to which the salary ratio is different from that of the former position, the Trustee shall, on and from the day on which the Contributor becomes employed in the other position, apply under sub-clause 11.2 in relation to the Contributor:
 - (i) instead of the deduction factor required under sub-clause 11.5(b) to be applied on and from the day on which the Contributor became employed in a position having the salary ratio of the former position; and
 - (ii) in addition to such other deduction factors (if any) as the Trustee is required to apply in relation to the Contributor,

a deduction factor equal to the figure which would have been calculated in accordance with sub-clause 11.5(b) if the figure attributed to the symbol "PA" were the number of years, if any, (including any fractional part of a year calculated on a daily basis) of the period during which the Contributor was employed in a position having the salary ratio of the former position.
- (d) The Trustee must apply under sub-clause 11.2, in relation to a Contributor who is employed for less than 10 hours a week for a single period of more than 2 years, a deduction factor equal to the length of that part of the period that the Contributor is so employed that exceeds 2 years and ends on the date on which the Contributor attains the Maturity Age.
- (e) The deduction factor applied under sub-clause 11.5(d) is to be expressed in terms of years and include any fractional part of a year calculated on a daily basis.
- (f) The deduction factor applied under sub-clause 11.5(d) is to be applied on and from the end of 2 years after the commencement of the period of employment and is in addition to any other deduction factor that the Trustee is required to apply in relation to the Contributor.

where, in relation to the Contributor:

P is the amount of the pension per fortnight;

A is the amount of pension per fortnight that would have been payable to the Contributor under sub-clause 13.5(a) had the Contributor been a person to whom that sub-clause 13.5(a) applies;

- (e) Sub-clause 13.5(b) does not apply to a Contributor whose Exit Day is on or after the last day of the Contribution Period preceding that in which the Contributor attains or would attain the Maturity Age.
- (f) If, in respect of a Contributor referred to in sub-clause 13.5(b)(ii) (other than a Contributor referred to in sub-clause 13.5(b)(ii)(B)), the amount of pension to which the Contributor would have been entitled, had the *Superannuation Act 1916* (NSW) not been amended by the *Superannuation (Amendment) Act 1977* (NSW), is greater than the amount to which the Contributor would otherwise be entitled under sub-clause 13.5(b), the Contributor shall, notwithstanding sub-clause 13.5(b), be entitled to a pension of the greater amount.

(ii) in the case of a Contributor who has attained the age of 55 years – the amount calculated by the Trustee as the capitalised value of the pension that would have been payable to the Contributor if the Contributor had elected to retire on pension at his or her current age.

- (g) If the Trustee calculates that the maximum amount that a Contributor is entitled to receive from the Fund under sub-clause 13.18(f) is less than the amount the Contributor would receive under sub-clause 13.18 if the terms applying immediately prior to the amendments that took effect on 30 June 1999 are applied to calculate the benefit, then the Contributor is entitled to receive that greater amount.

'T' in sub-clause 13.18(d) as it stood immediately prior to that amendment, being as follows:

T represents the amount referred to in sub-clause 13.18(d)(i), together with such amount as would have been the amount of interest calculated for the purpose of sub-clause 13.18(d)(ii), if:

- (i) for any relevant period beginning on or after 1 July 1972, the prescribed rate had been 4.5% per year; and
 - (ii) for any relevant period before that date the prescribed rate had been 3.5% per year; and
- (h) If the Trustee has made a determination under sub-clause 23.1 in respect of a Benefit payable under this sub-clause 13.18, the amount of the Benefit is reduced by the amount specified in the Trustee's determination.

- (d) If a Contributor who is entitled to make an election under sub-clause 13.19(a) or 13.19(b) to take a particular kind of Benefit does not make such an election before the end of the prescribed period, the Contributor shall be taken to have elected to take the kind of Benefit that the Trustee decides to be the most appropriate in the circumstances of the case.
- (e) If a Contributor elects under this sub-clause 13.19 to take a particular kind of Benefit under sub-clause 13.19(a) and would, but for sub-clause 13.19(f), be entitled to a Benefit of that kind under 2 or more provisions of clauses 12 to 24, the Trustee must calculate which of the Benefits under those provisions would be the greater or greatest.

 - (i) a Contributor or a Contributor's Spouse is entitled to a pension under this Annexure consequent on the Contributor's ceasing to be a Contributor; or
 - (ii) a Contributor elects to take the Benefit of sub-clause 13.15,

and the Contributor has a number of Abandoned Units at the Contributor's Exit Day, the Trustee shall (whether or not the Contributor has died) allocate to the Contributor one (and one only) Reduced Value Unit in substitution for each of the number of Abandoned Units that the Contributor has at the Contributor's Exit Day.

- (b) This sub-clause 14.1 does not apply to:
 - (i) a person who is entitled to a pension under sub-clause 13.4 or to a pension under clause 16; or
 - (ii) a person who is Retrenched from the Service of an Employer and who is to receive or is receiving a pension under sub-clause 13.16.

 - (iii) the Contributor's Exit Day is before the last day of the Contribution Period preceding that in which he would attain the Maturity Age,

the Trustee may treat the unit as not having been taken up as a Contributory Unit, and, if the Trustee does so, the Contributions paid under this Annexure by the Contributor concerned or the Contributor's Spouse in respect of the unit shall be refunded.
- (e) For the purposes of this sub-clause 14.1, where an election is made under sub-clause 5.7 to abandon a unit of pension, the unit shall be deemed to be an Abandoned Unit that the Contributor concerned had at the Contributor's Exit Day.
- (f) For the purposes of this sub-clause 14.1, where an election is made under sub-clause 12.8 in respect of one or more additional units of pension, the unit or units shall be deemed to have been held by the Contributor concerned at the Contributor's Exit Day.

 - (ii) the number of Reduced Value Units that the Contributor would, but for this paragraph, be so deemed to have held at that time does not exceed the number that the Contributor is allocated at the Contributor's Exit Day.
- (h) Where the number of Reduced Value Units to be allocated to a Contributor is smaller than the number of Abandoned Units that the Contributor has at the Contributor's Exit Day, the Trustee shall, for the purposes of sub-clause 14.1(d), have regard to such of those Abandoned Units as the Contributor has had the longest.

- (i) This sub-clause 14.1 does not apply to a person to the extent to which the person or the person's Spouse satisfies the Trustee that the allocation of Reduced Value Units would prejudicially affect the person or the person's Spouse's interests.

14.2 Benefits payable in respect of Reduced Value Units

- (a) Subject to this sub-clause 14.2, pensions are payable in respect of Reduced Value Units as if they were Contributory Units.

- (e) The pension payable in respect of Reduced Value Units is subject to automatic adjustment in accordance with clause 21.
- (f) If the Trustee has made a determination under sub-clause 23.1 in relation to a pension payable in respect of Reduced Value Units, the amount of the pension is reduced by the amount specified in the Trustee's determination.

15.3 Employee retired through infirmity may be called up for medical examination

Any such pensioner shall submit to a medical examination by a medical practitioner nominated by the Trustee as and when required by the Trustee, and if the pensioner does not comply with that requirement, pension shall cease to be payable to the pensioner until the pensioner complies with the requirement.

15.4 Employee restored to health may be recalled to Service

- (a) If, in the opinion of the Trustee, the health of any pensioner retired as aforesaid has become so restored as to enable the pensioner to perform duties which, having regard to the duties performed by the pensioner immediately prior to the pensioner's retirement, are in the opinion of the Trustee suitable to be performed by such pensioner, the Trustee may communicate with the Employer from whose Service the pensioner was retired, or any other Employer under this Annexure, and, if suitable employment be found for such pensioner, at a Salary not less than two-thirds of the Salary of a person who is employed in a position which is, in the opinion of the Trustee, a corresponding position to that in which the pensioner was employed immediately before the pensioner's retirement, or at such Salary as may be agreed upon between the pensioner and the pensioner's Employer, may cancel the pension; thereupon the pension shall cease to be payable.

 - (ii) pension shall not, where such retirement or death occurred less than five years after the recall of such person, be paid in respect of the number of units of pension in excess of the number for which the person was contributing at the time when the person was previously retired but in such case pension shall not be less than the amount of pension at which the person was previously retired and a lump sum, equal to the contribution paid by the person in respect of the number of units of pension in excess of the number in respect of which pension is payable as aforesaid, shall be payable.
- (c) Notwithstanding anything in this Annexure:
 - (i) where a person is retired under sub-clause 12.5 within five years of again becoming a Contributor following a previous retirement under section 22 of the *Superannuation Act 1916* (NSW) or under sub-clause 12.5, then, as on and from the date (being not earlier than the commencement date of subsection 51(3) of the *Superannuation Act 1916* (NSW)) on which pension thereafter

first becomes payable to the person, the rate at which it is payable shall be that at which it would have been payable to the person had the person continued in the person's last retirement (disregarding any retirement of that person to which sub-clause 15.4(b)(ii) applied) instead of again becoming a Contributor and had the provisions referred to in the definition of *suspended part of a pension* in sub-clause 21.1 did not apply; and

- (ii) where a Contributor dies within five years of having again become a Contributor following a previous retirement under section 22 of the *Superannuation Act 1916* (NSW) or under sub-clause 12.5 of this Annexure, then, as on and from the date being not earlier than the commencement date of subsection 51(3) of the *Superannuation Act 1916* (NSW)) on which pension thereafter first becomes payable to the Contributor's Spouse, the rate at which it is payable shall be that at which it would have been payable to the Contributor's Spouse had the Contributor:
 - (A) where the Contributor has been retired under sub-clause 12.5 once only continued in that retirement instead of the Contributor's again becoming a Contributor; or
 - (B) where the Contributor has been so retired more than once continued in the Contributor's last retirement (disregarding any retirement of the Contributor's to which sub-clause 15.4(b)(ii) applied) instead of again becoming a Contributor,

and as if the provisions referred to in the definition of *suspended part of a pension* in sub-clause 21.1 did not apply.

- (a) A person referred to in sub-clause 16.1(a) who has not received any other Benefit under this clause 16 and who applies to the Trustee to receive a pension under this sub-clause 16.4 is entitled to receive that pension:
 - (i) on the person's attaining the age of 55 years;
 - (ii) on the expiration of the period of ten years after the person last became a Contributor; or
 - (iii) on receipt by the Trustee of the application,

whichever is the latest.
- (b) The pension provided by this sub-clause 16.4 is not payable under this sub-clause 16.4(b) to a person who elected to provide for the benefit under sub-clause 11.11 unless the requirements of sub-clause 11.11(e)(iv) are satisfied.
- (c) The pension which a person is entitled to receive under this sub-clause 16.4 is a pension of an amount per fortnight calculated in accordance with the following formula:

$$TP = P1 (1 - .07 \times TM) + P2 (1 - .04 \times TM)$$

where:

- TP*** is the amount of the pension;
- P1*** is the Employee-contributed pension component calculated in relation to the person;
- P2*** is the Employer-financed pension component calculated in relation to the person and as adjusted by the operation (if any) of sub-clause 16.2;
- TM*** is the number of years, if any, (including any fractional part of a year calculated on a daily basis) by which the day from which the pension commences to be payable precedes the date on which the person attains the age of 60 years.

- (d) These rules apply to and in respect of a person who is entitled to a pension under this sub-clause 16.4 in the same way as it applies to and in respect of a Contributor who is entitled to a pension under sub-clause 13.3 and so applies as if the pension payable under this sub-clause 16.4 were a pension payable under that sub-clause 13.3.

16.5 Disability pension

- (a) A person referred to in sub-clause 16.1(a) who has not received any other Benefit under this clause 16 and who applies to the Trustee to receive a pension under this sub-clause 16.5 is entitled to receive that pension:
- (i) on receipt by the Trustee of the application; or
 - (ii) on the Trustee's being satisfied, after taking into account any medical opinion that it considers to be relevant, that the person is physically or mentally incapable of performing the duties of any employment that, in the opinion of the Trustee, it would be reasonable for the person to undertake,
- whichever is the later.
- (b) The pension which a person is entitled to receive under this sub-clause 16.5 is a pension of an amount per fortnight equivalent to the sum of:
- (i) the employee-contributed pension component calculated in relation to the person; and
 - (ii) the employer-financed pension component calculated in relation to the person and as adjusted by the operation (if any) of sub-clause 16.2.
- (c) A person to whom this sub-clause 16.5 applies shall be granted payment of pension only for such period at a time as the Trustee determines and a fresh application shall, unless the Trustee from time to time otherwise determines, be necessary before any further payment is made.
- (d) The period determined by the Trustee as referred to in sub-clause 16.5(c) for the payment of pension to a person:
- (i) if the person has not attained the Maturity Age, shall be such period (not exceeding 5 years) as the Trustee thinks fit, having regard to the state of health of the person; and

- (ii) if the person has attained the Maturity Age may be for the remainder of the person's life.
- (e) A person receiving a pension under this sub-clause 16.5 shall submit to a medical examination as and when required by the Trustee and, if the person defaults in complying with any such requirement, pension shall cease to be payable to the person during the default.
- (f) A pension payable under this sub-clause 16.5 shall cease to be payable to a person on the Trustee's ceasing to be satisfied as referred to in sub-clause 16.5(a)(ii) in relation to the person.

- (h) Except as provided by this sub-clause 16.5, this Annexure apply to and in respect of a person who is entitled to a pension under this sub-clause 16.5 in the same way as it applies to and in respect of a person entitled to a pension under sub-clause 13.5 and so applies as if the pension payable under this sub-clause 16.5 were a pension payable under that sub-clause.

- (b) The pension which the Trustee may grant is a pension equal to the early retirement pension to which the person would be entitled on application under sub-clause 16.4.
- (c) These rules apply to and in respect of a person granted a pension under this sub-clause 16.6 in the same way as it applies to a person entitled to a pension under sub-clause 13.3 and so applies as if a pension payable under this sub-clause 16.6 were a pension payable under that sub-clause 13.3.
- (d) If an interim pension is granted, the amount of any pension payable to a person under sub-clause 16.5 is to be reduced by the amount of any interim pension paid.
- (e) Despite sub-clause 16.5(a), the grant of an interim pension under this sub-clause 16.6 does not make a person ineligible for a pension under sub-clause 16.5 or affect any other right of a person granted a pension under that sub-clause 16.5.
- (f) However, a person who commutes an interim pension before the determination of an application under sub-clause 16.5 is not entitled to a pension under sub-clause 16.5.

year means a period commencing on and including 1st July and ending on and including the next following 30th June.

- (b) Where a pension is to be adjusted under this clause 21 by reference to the adjustment percentage for a year, a reference (however expressed) in this clause 21 to adjusting the pension is a reference to:

21.2 Calculation of adjustment percentage

- (a) For the purposes of the definition of **adjustment percentage** in sub-clause 21.1, the percentage for a year shall be calculated:

- C is the Index number for the June quarter in that year; and
- L is the Index number for the immediately preceding June quarter.

- (b) Where:

 - (ii) the Index number for the June quarter in that year is the same as the Index number for the immediately preceding June quarter,
- there shall be deemed to be no adjustment percentage for that year.
- (c) Where there is deemed to be no adjustment percentage for a year, then, for the purposes of calculating the percentage for the next year:
- (i) the Index number for the June quarter in the firstmentioned year shall be deemed not to have been published; and
 - (ii) the Index number for that quarter shall be deemed to be the same as the Index number for the June quarter in the last year for which there was an adjustment percentage.
- (d) If at any time, the Australian Statistician has published in respect of a particular June quarter an Index number in substitution for an Index number previously published in respect of that quarter, the publication of the later Index number shall be disregarded unless the Trustee otherwise determines for the purposes of this clause 21.
- (e) Notwithstanding sub-clause 21.2(d), if the Australian Statistician changes the reference base for the Consumer Price Index (All Groups Index) for Sydney, then, for the purposes of the application of this clause 21 after the change takes place, regard shall be had only to Index numbers published in terms of the new reference base.

- (i) a person who last became a pensioner on or before 1st July in the particular year;
 - (ii) a person who is the Spouse of a pensioner, where that pensioner last became a pensioner on or before 1st July in the particular year and died before the adjustment date for that year; and
 - (iii) a person who is the Spouse of a Contributor, being a Contributor who died, on or after 1st July in the particular year but before the adjustment date for that year, within five years of having again become a Contributor following a retirement under sub-clause 12.5 on or before 1st July in that year.
- (c) A reference in sub-clause 21.3(a) to a pension payable to a person includes a reference to the pension that would have been payable to the person as if the provisions referred to in the definition of *suspended part of a pension* in sub-clause 21.1 did not apply.

21.4 Adjustment of pensions: partial adjustment

- (a) Subject to this clause 21, where there is an adjustment percentage for a year (in this sub-clause 21.4 referred to as *the particular year*), the pension payable on the adjustment date for that year to a person to whom this sub-clause 21.4 applies is hereby adjusted, on and from that adjustment date, by the percentage calculated in accordance with the formula set out in sub-clause 21.4(c).
- (b) This sub-clause 21.4 applies to:
- (i) a person who last became a pensioner after 1st July in the particular year but on or before 1st April in that year, other than a person referred to in paragraph (iii);

but does not apply to a person to whom sub-clause 21.3 applies.

- (c) The formula referred to in sub-clause 21.4(a) is:

$$A = \frac{P \times Q}{4}$$

where:

- A* is the percentage by which the pension is to be adjusted;
- P* is the adjustment percentage for the particular year; and
- Q* is the number of whole quarters of the particular year, being the whole quarters after, and (if applicable) the whole quarter on the first day of which:
- (i) in the case of a person referred to in sub-clause 21.4(b)(i) the person last became a pensioner;

- (b) Sub-clause 21.3 or 21.4, as the case may require, applies to and in respect of a suspended pension in the same way as it applies to and in respect of a pension referred to therein, and so applies as if:
 - (i) the marriage by reason of which the pension is a suspended pension had not taken place; or
 - (ii) sub-clause 15.3 did not exist,

as the case may require, but nothing in this sub-clause 21.5(b) operates so as to authorise or require the payment at any time of that suspended pension or any part thereof.

24. COMPLIANCE WITH SUPERANNUATION GUARANTEE LEGISLATION

24.1 Minimum Benefits

The Trustee must, after obtaining actuarial advice, determine what the minimum Employer-financed Benefit would have to be to ensure that there is no Superannuation Guarantee Shortfall.

24.2 Increase in Benefits

So much of a pension component of a Benefit or lump sum as is Employer-financed is, despite any other provision of this Annexure [**or any Act**], not to be less than the minimum Benefit determined under sub-clause 24.1. The Benefit that would otherwise be payable under this Annexure is increased to the extent necessary for the purpose of complying with this sub-clause 24.2.

24.3 Increase in Benefit to be paid from non-Contributory scheme

The amount of any increase in Benefit is to be debited by the Trustee from the Employer Reserve of the Employer concerned established under Annexure 2 in the Pool B Sub-Division Rules.

24.4 Definition

In this clause 24, ***employer-financed Benefit*** means the sum of so much of a pension component of a Benefit or lump sum as is Employer-financed under this Annexure, any basic Benefit under the *State Authorities Non-Contributory Superannuation Act 1987* (NSW) and any Employer-financed Benefit of a kind provided under Annexure 2 in the Pool B Sub-Division Rules.

24.5 The Trustee empowered to fix interest rates for the purposes of this Annexure

- (a) Whenever the Trustee considers it necessary to do so, the Trustee may, by resolution, fix a rate of interest for the purposes of sub-clause 11.7, 12.4, 13.20, 20.2 or 23.3.
- (b) A rate fixed under sub-clause 24.5(a) for the purposes of sub-clause 13.20, 21.3 or 21.4 has effect on and from:
 - (i) the date on which the resolution of the Trustee fixing the rate is made; or
 - (ii) if a later date is specified in the resolution, that later date.
- (c) A rate fixed under sub-clause 24.5(a) for the purposes of sub-clause 11.7 or 12.4 has effect on and from:
 - (i) such date as is specified in the resolution of the Trustee fixing the rate (whether that date is before or after the date of the resolution); or
 - (ii) if no such date is specified in the resolution, the date on which the resolution is made.

- (d) Subject to this sub-clause 24.5, the Trustee has power, and shall be regarded as always having had power, when paying a Benefit under this Annexure, to pay interest at such rates, for such periods and in such circumstances as in its absolute discretion it thinks appropriate.
- (e) The Trustee may fix different rates for the provisions mentioned in sub-clause 24.5(a).

25. TRANSITIONAL AND OTHER PROVISIONS ARISING FROM THE SUPERANNUATION (AMENDMENT) ACT 1988 (NSW)

- (a) Certain persons to continue to be liable to make payments that were due under the *Superannuation Act 1916* (NSW) before the commencement of the *Superannuation (Amendment) Act 1988* (NSW):
 - (i) a provision of the *Superannuation (Amendment) Act 1988* (NSW) repealed or amended a provision of the *Superannuation Act 1916* (NSW); and
 - (ii) immediately before the commencement of the repealing or amending provision a person was liable to make a payment under the repealed or amended provision which has not been satisfied,

the liability continues under this Annexure despite the repeal or amendment.

25.2 Equation of payments

Any agreement entered into under section 90 of the *Superannuation Act 1916* (NSW) and in force immediately before 1 July 1988 continues in force as if that section had not been repealed by the *Superannuation (Amendment) Act 1988* (NSW).

26. SAVINGS AND TRANSITIONAL

26.1 Contributions while on leave without pay or working minimum hours

Sub-clause 6.3, 11.3 and 11.5 apply to a period of leave without pay or part-time work commenced before 1 January 1994 and not completed immediately before that date.

26.2 Definitions

In this clause 26:

"amending deed" means the Deed of Amendment No. 4 Schedule A.

"eligible pensioner" means a person who is in receipt of a pension under this Annexure and who, on the repeal of rule 12.2 by the amending deed:

- (a) has not attained the age of 60 years and 6 months; and
- (b) has not made an election to commute any part of that pension under rule 12.2 of the amending deed or whose election to commute under that rule has not taken effect.

26.3 Amendments do not confer new commutation rights on persons who are not eligible pensioners

- (a) Sub-clause 12.2, as substituted by the amending deed, does not apply to or in respect of any pension to which a person became entitled under this Annexure before 1 July 1985 if the person who is in receipt of that pension is not an eligible pensioner and, accordingly, sub-clause 12.2 does not confer on such a person an entitlement to commute the whole or part of that pension.
- (b) The repeal of rule 12.2 by the amending deed does not affect any election made by a person (not being an eligible pensioner) under rule 12.2 of the amending deed before that repeal, and this Annexure continues to apply in respect of such an election as if it had not been amended by the amending deed.
- (c) This sub-clause is subject to sub-clause 26.4.

26.4 Commutation of mandatory residual pension under sub-clause 12.4

- (a) If a person who became entitled to a pension under this Annexure before 1 July 1985 elected to commute the whole of his or her pension (other than the mandatory residual pension) in accordance with this Annexure, before the repeal of rule 12.2 of the amending deed by the amending deed:
 - (i) sub-clause 12.2, as amended by the amending deed, extends to that mandatory residual pension; and
 - (ii) the person may make one election under sub-clause 12.2 in respect of that mandatory residual pension within the period of 6 months after the commencement of this sub-clause (despite sub-clause 12.3).
- (b) The Trustee may, subject to such terms and conditions as it may impose, accept an election that is made after that period of 6 months and deal with it as if that time had been indefinitely extended if:
 - (i) it is proved to the satisfaction of the Trustee that an election was not made because:
 - (A) the person entitled to make the election did not know of the person's right to make the election; or
 - (B) circumstances substantially beyond the person's control prevented the person's making an election; and
 - (ii) The Trustee is satisfied that in the circumstances of the case it is desirable that the election should be accepted.
- (c) This sub-clause does not authorise the commutation of a pension payable in respect of children.
- (d) In this sub-clause 26.4:

"mandatory residual pension" means any amount of pension per fortnight that a person was not entitled to commute under rule 12.2.1, 12.2.2, or 12.2.3 of the amending deed as in force immediately before the repeal of those rules by the amending deed.

26.5 Saving of commutation entitlements of eligible pensioners

- (a) Sub-clause 12.2(a), as substituted by the amending deed, applies to or in respect of a pension to which a person became entitled under this Annexure before 1 July 1985 if the person who is in receipt of that pension is an eligible pensioner.
- (b) Accordingly, an eligible pensioner may commute the whole or part of that pension in accordance with sub-clauses 12.2 and 12.3.
- (c) If an eligible pensioner attained the sub-clause 12.2 commutation age before the commencement of this sub-clause:
 - (i) the eligible pensioner is taken, for the purposes of sub-clauses 12.3(a) and 12.3(b), to have attained the sub-clause 12.2 commutation age on the commencement of this sub-clause; and
 - (ii) the reference in sub-clause 12.3(c) to the time prescribed is taken to be a reference to the time prescribed by that sub-clause as modified by this sub-clause.
- (d) If an eligible pensioner made an election to commute any part of his or her pension under rule 12.2 of the amending deed before the repeal of that rule by the amending deed (being an election that has not taken effect):
 - (i) that election is to be treated as an election under sub-clause 12.2; and
 - (ii) the eligible pensioner may, without the approval of the Trustee being necessary, make a further election under sub-clause 12.2 in accordance with sub-clause 12.3 (as modified by sub-clause 12.3(c), if applicable).
- (e) In this sub-clause, the "sub-clause 12.2 commutation age" means:
 - (i) in the case of a person who is in receipt of a pension payable under sub-clause 13.5, the maturity age; or
 - (ii) in any other case, 55 years.

shall be calculated by means of the conversion ratio in relation to that foreign currency.
