

**CBUS Corporate Governance – Detailed Voting Report**  
**1 July 2016 to 30 June 2017**

This report details how Cbus has voted on company resolutions over the 11 month period from the 1 July 2016 to the 30 June 2017 for its shareholdings that are listed internationally.

We show details for each company's resolution where Cbus voted 'against', with the exception of voting for companies held in pooled trusts (voting in these instances is conducted by the fund managers). Where voting is split between 'for' and 'against', votes are classified as 'against' votes where >50% of all votes were 'against'.

We show whether the resolution was proposed by Company Management 'Mgmt' or by a shareholder 'Sh'.

Details for Cbus' voting on company resolutions over the same time frame for its share holdings in Australian listed companies are available in a separate report.
